Today, we travel to Portland, Maine, where we will board The Maquoit II as she sets out on her Mail Boat Run. Pack your hat and sunscreen (there is inside seating as well) for this 2.5 hour journey stopping at five islands to unload cargo and mail. This narrated experience shows the true workings of this coastal port. Upon return, our motor coach will bring us to DiMillo's floating restaurant for a delicious luncheon (please select — lobster roll with fries and slaw or baked stuffed chicken breast). We will have time for shopping after dining and taking in the fantastic views. For reservations, please contact the Trip Office at 603-816-2645.
