Lake George Balloon Festival

three days / two nights

September 19—21, 2025

\$849 pp (double) — \$1,199 single — \$829 triple/quad

Every year, hundreds of balloons fill the sky with their fun shapes and brilliant colors. Watch them fill with air, take off, and fly off dozens at a time at the 2025 Lake George Balloon Festival.

Our three-day program is the perfect way to explore the festival. Hotel accommodations are located a short distance from the festival. Our first touring stop is the Norman Rockwell Museum in Stockbridge, MA. Enjoy free time to have lunch on your own in this historic town.

You will enjoy a wonderful dinner cruise complete with entertainment aboard the Lac Du Sacrement all while taking in Lake George's beautiful scenery.

We will visit the NY State Museum established in 1836 — the oldest and largest state museum in the country — the center of art, science and history dedicated to exploring the human and natural history of NY State.

Free time is built in to enjoy downtown Lake George with its numerous outlet shops.

For more information and reservations,
