

DRESS CODE POLICY

The purpose of this policy is to establish guidelines for the wearing of appropriate clothing while at the Nashua Senior Activity Center or one of its off-campus functions to maintain a respectful environment while ensuring the comfort of all.

Staff, Group Leaders, Volunteers and Members are the most important representation of the Nashua Senior Activity Center and contribute to the image and reputation of this organization in the way they present themselves.

SOME EXAMPLES OF ACCEPTABLE CLOTHING:

Clean t-shirts, polo shirts, modest blouses, casual pants, jeans, modest skirts and dresses.

SOME EXAMPLES OF INAPPROPRIATE CLOTHING:

Unkempt or dirty clothing, clothing with offensive designs, clothing that is too revealing.

DRESS CODE POLICY ENFORCEMENT:

Inappropriate appearance will be addressed on an individual basis by Nashua Senior Activity Center staff or Group Leader. If staff or group leader determines, in the staff's or group leader's sole discretion and opinion, that a person's clothing or appearance is not appropriate as outlined above, staff or group leader may take corrective action and require that person to leave the premises or prohibit entry to a function.

Violations of this policy could lead to permanent non-entry or permanent termination of membership.
