"Explore 350+ years of seasonal and holiday traditions at Strawberry Banke Museum's 46th annual Candlelight Stroll.

Wander the Museum grounds under the glow of candle boxes and string lights, visiting **furnished historic homes** from 1795 through the 1950s, each adorned with greens and dried flowers from the Museum's heirloom gardens. Inside, **costumed roleplayers** portray neighborhood families, sharing stories, customs, and seasonal traditions.

Tour **exhibit houses** highlight Portsmouth's maritime heritage, traditional trades, and more, offering context to life in the Puddle Dock neighborhood. Outside, carolers, fife-and-drummers, and other musicians fill the air with seasonal melodies, while wandering historical reenactors bring figures from the past to life across the grounds.

Twice each evening, Ice Dance International's Currier & Ives Vintage Christmas Skaters take the ice for special performances that capture the spirit of the season (weather dependent). Visitors can warm up at the Cider Shed with a cup of cider, then explore the **Grove of Sponsored Holiday Trees**, where you can vote for your favorite." — ***Strawberry Banke Museum website.***
